Gentlemen and Mrs. Schmidt:

Attached hereto is a copy of a resolution pertaining to one (1) zoning ordinance amendment acted upon by the City Plan Commission at their regular meeting held January 27, 1975. In addition to the reasons outlined in the resolution, the following are additional remarks pertaining to the ordinance involved.

1. Bill No. Z-74-11-40
2. From "R1" to "B3B"
3. Intended Use: Upholstery Shop
4. Plan Commission Recommendation: DO NOT PASS

This ordinance received a DO NOT PASS recommendation for the following reason:

The primary reason for this request was to enable the petitioner to demolish the vacant house on the property and expand his business. The petitioner is able, without a rezoning, to demolish the house and improve the property.

An important factor for the Commission to consider is that this area is in flood plain - rezoning of this property commercial could encourage additional development and therefore decrease even further the capacity of flood plain to hold water.

If there are any questions with regard to this ordinance, please feel free to call on us.

RESOLUTION OF ZONING ORDINANCE AMENDMENT RECOMMENDATION

WHEREAS, the required notice of public hearing on such proposed ordinance has been published as required by law; and,

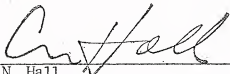

WHEREAS, the City Plan Commission conducted a public hearing on such proposed ordinance on January 20, 1975;

NOW THEREFORE, BE IT RESOLVED that the City Plan Commission does hereby recommend that such proposed ordinance DO NOT PASS for the reasons that no need has been shown for the Land Use Plan to be amended, the amendment will not be in the best interest of and benefit to the area involved and of and to the City, and the amendment will be detrimental to and conflicts with the overall City Plan; and,

1. Bill No. Z-74-11-41
2. From "R1" to "B4"
3. Intended Use: Small businesses, locker storage plant
4. Plan Commission Recommendation: DO NOT PASS

This ordinance received a DO NOT PASS recommendation for the following reasons:

We feel that the Goshen Road frontage is appropriately zoned, however, the approval of this petition would allow the extension of Roadside business zoning into an area that is zoned and developed on three sides as residential.

We agree that the property is not prime single family property, however, there are uses that would not cause adverse effects on the neighborhood and that would fit possibly within an "R3" classification such as apartments or offices.

Bill No. Z-74-11-41 (Continued)

If the property were zoned "R3" the development would not only be more desirable but would allow the Commission more input into the actual development of the site by requiring amenities that would protect adjacent residential property values.

If there are any questions with regard to this ordinance, please feel free to call on us.

1. Bill No. Z-74-11-07
2. From "R1" to "R3"
3. Intended use: Offices (Insurance, Accounting, and Plumbing)
4. Plan Commission Recommendation: DO NOT PASS

This ordinance received a DO NOT PASS recommendation for the following reasons:

The request does not represent sound zoning practices. The Plan Commission and staff have, in recent years, discouraged the rezoning of property in sound residential neighborhoods such as this, in order to preserve their residential character and deterioration which could come about as a result of non-residential intrusions.

We are not opposed to this type of development, as presented by this petitioner, however, we feel that it should be located in an area which the Commission has set aside for non-residential uses. Within a block of Mr. Sheets present location, there is a half block of vacant commercial land, therefore we suggest that he pursue his development plans on this half block rather than encroach in an "R1" district, and further, that Mr. Sheets revert the building that is now being used as his place of business, back to a garage which is what the building permit specifies the building will be used for.

January 28, 1975

Bill No. Z-74-11-07 (Continued)

The Commission, in our opinion, should, as part of the motion, require Mr. Sheets to revert the building back to a residential garage within thirty (30) days.

If there are any questions with regard to this ordinance, please feel free to call on us.

THE CITY OF FORT WAYNE

October 7, 1974

Mr. Wayne Sheets
1204 West State Blvd.
Fort Wayne, Indiana 46808

Dear Mr. Sheets:

The City Plan Commission Zoning Enforcement Officer and myself were informed recently of a possible zoning violation located at 1204 West State. As a result of the complaint the situation was investigated by this office. We found that a building permit was obtained by you on November 16, 1973 for the construction of a Private Detached Two Car Garage. The building constructed based on the building permit is not a private detached two car garage but is instead the location of a business for Sheets Plumbing & Heating. The zoning at 1204 West State Street is "R1" Single Family, and as such does not permit business uses.

This letter is written to inform you that you are in violation of Chapter 36, Section 14 of the Municipal Code and also that you have not constructed, at this address, the type of structure represented to the Building Department in getting your building permit on November 16, 1973. You are hereby given notice that if this present violation continues beyond the 14th day of October, the matter will be referred to the City Attorney for action as referred to in Chapter 36, Section 25 of the Municipal Code.

Sincerely,

DEPARTMENT OF COMMUNITY DEVELOPMENT
AND PLANNING

Gentlemen and Mrs. Schmidt:

Attached hereto is a resolution pertaining to a zoning ordinance amendment acted upon by the City Plan Commission at their regular meeting held January 28, 1974. In addition to the reasons outlined in the resolution, the following are additional remarks pertaining to the ordinance involved.

1. Bill No. Z-73-10-49
2. Intended Use: Hefner Chevrolet Sales (trucks)
3. Plan Commission Recommendation: DO PASS

This ordinance received a DO PASS recommendation for the following reason:

- a. The change in zoning does not conflict with either the present land uses or the northwest area from a land use planning prospective.

This ordinance was sent to the Common Council on April 25, 1974. Before action was taken by the Common Council on this ordinance, the County assumed the area known as the "Fringe" on April 29, 1974. Since part of the ground to be rezoned was located in the "Fringe" area, the Council referred this ordinance back to the City Plan Commission for further work with the petitioner.

On June 14, 1974, a PETITION FOR VOLUNTARY ANNEXATION was filed with the City Clerk's office. This petition was submitted before the Committee Session on October 15, 1974, and passed by the Common Council on October 22, 1974.

Following the sixty (60) day remonstrance period, this annexation ordinance became effective at 12:01 A.M. on January 4, 1975. (See attached memorandum from David B. Keller, City Attorney, and map).

Bill No. Z-73-10-49 is now being forwarded to the Common Council for action.

If there are any questions with regard to this ordinance, please feel free to call on us.

Re: "TURN ON RED" Resolution ✓

Dear *City Clerk*

The Indiana State Highway Commission has reinvestigated the signalized intersections on state highways in your county and determined the need for prohibiting the "TURN ON RED" movement in accordance with the revised warrants established by Commission Action on October 24, 1974.

Attached are copies of resolutions permitting or prohibiting the "RIGHT TURN ON RED" or "LEFT TURN ON RED" turning movement at signalized intersections on state highways in your county in accordance with the Acts of 1973, and the revised criteria established by the ISHC. The resolutions furthermore rescind all conflicting Official Actions previously adopted by the ISHC permitting or prohibiting a "TURN ON RED" turning movement. All "NO TURN ON RED" controls adopted by the resolutions shall be effective when signs are installed. Distribution of these Official Action documents is being made to local officials who should be knowledgeable of the regulations hereby established.

Any and all subsequent changes, additions, deletions or corrections shall be accomplished by Official Action of the ISHC and copies of such action will be forwarded to you and other local officials when they are adopted.

If you have any questions pertaining to this specific regulation, please contact the District Traffic Engineer.

Very truly yours,
